## Material Safety Data Sheet

# EcoDiscoveries™

A Division of Sorbent Technologies, Inc.  
2377 John Glenn Drive, Suite 106, Atlanta, GA 30341 USA  
Tel: 770-936-0323 Fax: 770-936-0326

Form #: STI-017

### 1. Product Identification:

EcoDiscoveries™ Tub & Tile

### 2. Hazardous Ingredients / Identity Information

A blend of plant-based non-ionic & cationic surfactants  
Organic based salts  
Filtered water

CAS No.:	None
Hazardous Ingredients:	None
OSHA PEL:	None
ACCGIH TLV:	None

### 3. Hazards Identification

Health Rating:	1 - May cause irritation of eyes
Flammability Rating:	0 - None
Reactivity Rating:	0 - None
Contact Rating:	0 - None

#### Potential Health Effects

Inhalation:	None
Ingestion:	Mild to moderate diarrhea if ingested
Skin Contact:	May cause skin irritation with prolonged contact and use
Eye Contact:	Will be an eye irritant

Signs and symptoms of Exposure: Mild irritation to mucous membranes and eyes.

Medical Conditions Generally Aggravated by Exposure: Mild to moderate skin and eye irritation.

Emergency and First Aid Procedures: Rinse exposed areas with water.

### 4. First Aid Measures

Inhalation:	None
Ingestion:	Drink 2 glasses of water to dilute. Seek medical attention as a precautionary measure.
Skin Contact:	Rinse with water.
Eye Contact:	Wash/flush thoroughly with clean water. Seek medical attention as precautionary measure.

### 5. Fire Fighting Measures

Fire:	N/A
Explosion:	N/A
Fire Extinguishing Media:	N/A
Special Information:	None

### 6. Accidental Release Measures

Product is biodegradable and ecologically harmless. Rinse spill with water if desired.

## 7. Handling and Storage

Store at room temperature.  
Storage Segregation Hazard Classes: N/A  
Do not store in metallic containers

## 8. Exposure Controls / Personal Protection

**Personal Respirators:** None

**Skin Protection:** Gloves optional

**Eye Protection:** Goggles if spraying

**Other protective clothing or equipment:** Optional

**Airborne Exposure Limits:** None

**Ventilation System:** Local exhaust: Not required  
Mechanical: Not required

## 9. Physical and Chemical Properties

Appearance: colorless liquid; slight soapy odor  
Boiling Point: 212°F  
Water Solubility: Soluble

Specific Gravity: 1.02 g/ml (H<sub>2</sub>O = 1)  
Melting Point: Liquid  
Evaporation Rate: Same as water

## 10. Stability and Reactivity

Stability: Stable.  
Conditions to avoid: Heating above 100 °C  
Incompatibilities: Avoid contact with strong oxidizing agents, hypochlorites (bleach), or alkaline solutions.  
Hazardous polymerization: Will not occur

## 11. Toxicological Information

Carcinogenicity: None  
Chronic effects: None

## 12. Ecological Information

Biodegradable: Readily biodegradable  
Environment: non-hazardous to environment

## 13. Disposal Considerations

Flush with water. Safe for sewer disposal.

## 14. Other Information

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. Sorbent Technologies, Inc. shall not be held liable for any damage resulting from handling or from contact with the above product.

## 15. Disclaimer

The data set forth in this sheet are based on information provided by the suppliers of the raw materials and chemicals used in the manufacture of the aforementioned products.

Sorbent Technologies, Inc. warrants that its products conform with their published specifications, and no other express warranty is made with regard thereto. We do not guarantee favorable results, and we assume no liability in connection with the use of the products. They are intended for use by persons having technical skill and knowledge at their discretion and risk.
