

## Alen A350 Air Purifier

The Alen A350 air purifier delivers superb performance at a surprisingly affordable price.

Quiet and efficient, the Alen A350 is capable of cleaning rooms up to 800 square feet of mold spores, pollen, and pet dander, though allergy sufferers will want one unit for every 400 sq feet to achieve at least 4 air changes per hour.

With the Alen A350, you get Allergy-HEPA filtration at a cost much lower than comparable models. Wall mountable, easy to maintain, with replacement filters that won't drain your wallet are just a few of the features that make this our most popular air purifier.

### Key Features:

- Pre-filter + Allergy-HEPA Filter + Activated Carbon Filter all-in-one makes filter changing easy
- Effectively removes smoke, pollen, dust, animal dander, dust mites, molds, bacteria and viruses
- 4-speed settings & 12 hour timer
- Wall-mountable space saving design
- Built-in Ionizer
- Filter change indicator
- Digital display with simple and intuitive touch button control
- Unique safety feature has power auto-off protection when front cover removed
